## **A few ideas on how to share your photographs**

The best way to submit your photographs would be to email them in JPEG format to [bbilash@pascack.k12.nj.us](mailto:bbilash@pascack.k12.nj.us). If you prefer to mail the photos, please do so and we will copy them and then return the photos to you by mail.

<p><b>When submitting your photographs it is important that you identify all those in the photo. Please indicate the names of all the individuals on the photograph on a separate piece of paper.</b></p>
